33  <p> Little bit about me I love to design and create when it comes to coding
   anything related to UI or web based it makes me extremely happy. When it comes
   to creating something it all goes down into how simple and organized your page
   is for the functionlity of the page but you also want it to look good
   appearance wise. I enjoy spending hours making cat drawings, making origami
   cake slices and I also love to read here and there. </p>
