```

```
49  </div>
50
51  <div id="text3">
52  <p> This is a progress sheet that I was working on to make stickers usually
    when I make stickers my process is start with a sketch, have a folder or album
    of referenece pictures and paste your palette plus the photos on a layer. Then
    afterwards freehand the drawing in your own style and draw a thin white
    outline around it and VIOLA you got a wonderful design you can sell.  </p>
53  </div>
54
55  <div class="img4">
56  <img src="Images for Assignment/Sketch 1.JPG" width="400" height="400" alt="
    Artistic Doodle I made ">
57  </div>
58
59  <div class="text4">
60  <p> When I doodle I get inspiration from pinterest and when it comes to the
    color palettes I use I tend to stick to pastel coloring but sometimes if the
    drawing calls for monotone,complementary,monochromatic, or analogous color
    schemes I use those instead.  </p>
61  </div>
62
63  <div id="img5">
64  <img src="Images for Assignment/Sketch 2.JPG" width="400" height="400" alt=" A
    digital drawing of an eye in fully  coloring  ">
65  </div>
66
67  <div id="text5">
68  <p> They say eyes are the window to the soul and in this drawing I did exactly
    that. Once I get the inspiration to draw something I spend hours on it like in
    this drawing. I start with my base which is the sketch then move onto the
    outline and then ontop of that is coloring for each piece. And adding the
    finishing touches. </p>
69  </div>
